

Swedish A-test (Field Trial) Championship for Flatcoated Retriever (Rasmästerskapet)

Flatcoats having passed the qualification A-test in Sweden are eligible to start. If the number of applicants exceeds the accepted number, dogs are invited based on their previous merits.

Dogs are listed in alphabetic order below except for those given quality prices. The winner of the trial is given a certificate if up to the required standard. A Certificate Quality award could be given to other 1:st price winners if being close to the standard of the certificate winner. An SJ(A) Ch title is given to a dog winning two certificates or one Certificate and two Certificate Quality awards. One merit must be achieved at an Any Variety trial.

For other working Champion titles please look at the list over Swedish Flatcoats with working titles.

Quality prices are given to all participants
1, 2, 3 or 0.
