

Cold Game Test (B - Test) Norway 2016

Elite class

Cold Game Tests in Norway are mainly run along the same lines as Cold Game Tests in Denmark, Finland and Sweden. The main difference is that the highest class in Denmark is organized as a Winner Class with the four best dogs given prices. In the other countries quality prices are offered in all classes.

NO J Ch= Norsk Jagd Champion is given to a dog winning three first prices in Elite Class and a qualifier at an ordinary shot.

Prizes: All dogs are rated with quality prizes:

1st prize for a good and safe performance.

2nd prize for a good performance with some deficiencies.

3rd prize for an acceptable performance with some deficiencies.

0 prize for a completely inadequate performance or mistakes excluding premiums.

Dis. = a dog is disqualified making disqualifying errors during the test.

B = Bitch

D = Dog
