Flatcoated Retrievers with Field Trial Awards from 1947 – 2017.

The listing being based on the Riverside Cup point system

The Riverside Cup is presented yearly by the British Flatcoated Retriever Society to the memory of Mr Reginald Cook of the Riverside Flatcoats. It’s given to the Flatcoat that has gained the highest scores from Field Trials based on the point system below. Reginald Cooke was active in the breed from the end of the nineteenth century until his death 1951. He’s probably the most influential Flatcoat breeder of all times and he owned the only two British Flatcoats, Dual Ch Grouse of Riverside (b.1903) and Dual Ch Toby of Riverside (b.1919), having gained a dual championship title from Field Trials and shows. The list below is ranking the point winning dogs starting with the highest number of points for each decade. When additional “total” points are exposed within a parenthesis points from the previous decade is added for some of the major price winners.

There’s an uncertainty when it comes to the date when this cup was presented for the first time and when it comes to the early figures. However, the point system is used as a method to systemize a list of all Flatcoats given FT awards. This overview is basically based on the lists of cup winners presented in The Flatcoated Retriever Society yearbook from 1971 onwards. When it comes to the very early years results are retrieved from Nancy Laughton’s book “A review of the Flatcoated Retriever” and Brenda Phillips book “Flatcoated Retrievers”. When it comes to the data from 2004 and onwards there is no full range listing on Riverside Cup points in the FCRS yearbook and as it seems FT results are not complete, so some figures are probably missing below. My apologies for any faults. Please forward corrections to bearstream@me.com!
