

Cold Game Tests (B-test) Finland 2016 - 2017

Finnish official Any Variety Cold Games Tests are run along the same lines as Cold Games Tests in the other Nordic countries. Steadiness, marking, handling ability and "free search" are evaluated both on land and in water.

To enter the Cold Game Test a qualifier is needed from a specific Qualification test verifying the basic competences of a Retriever. The Qualifier is needed as well to get a Show Champion title (MVA). The list below exposes all Flatcoats being entered in Beginners Class (ALO), Open Class (AVO) and Elite Class (VOI).

Two firsts in Beginners is needed to qualify for Open. Two first in Open is needed to qualify for Elite. To qualify for the Finnish "Jakt Champion" title (KVA) three first in Elite Class are needed, one first at a proper Field Trial (A-test) and a Good from a show.

Results for 2017 will be completed later on.
