

Field Trials (A-test) Finland 2013 - 2015

There are limited numbers of Any Variety Field Trials (NKM = A-test) arranged in Finland due to the scarcity of grounds offering reared game. Some of these can be arranged as Field Trials but there are several arranged on ordinary shooting days with an official judge being present. If a dog is awarded 0 price it could depend on the scarcity of game.

Dogs with two first prices from Cold Game Tests, Elite Class, or two certificates from Working Tests are allowed to start at a Field Trial.
